

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL MEMORANDUM**

**SB 1589 – HB 2000**

April 20, 2010

**SUMMARY OF AMENDMENT (017395):** Deletes all language after the enacting clause. Entitles a creditor to a deficiency judgment in an amount sufficient to satisfy fully the indebtedness in an action brought by a creditor to recover a balance still owing on an indebtedness after a trustee's or foreclosure sale of real property secured by a deed of trust or mortgage. The deficiency judgment shall be for the total amount of indebtedness prior to the sale plus the costs of the foreclosure and sale, less the fair market value of the property at the time of the sale. Entitles the creditor to a rebuttable prima facie presumption that the sale price of the property is equal to the fair market value of the property at the time of the sale. Requires any action for a deficiency judgment to be brought not later than the earlier of two years after the date of trustee's or foreclosure sale, exclusive of any period of time in which a petition for bankruptcy is pending or the time for enforcing the indebtedness as provided under Tenn. Code Ann. §§ 28-1-102 and 28-2-111.
